Welcome to the Global Air Training (GAT) News Letter, which offers a brief update on GAT training and activities so far this year.

Global Air Training News

Our 5 day CRM course, in April was one of our best attended to date with delegates from across the globe, and representatives of the UK CAA observing.

Non-Technical Skills Assessment for Cabin Crew

GAT has developed, and implemented with a large European operator, a practical and effective system to assess the CRM skills of cabin crew on line. The format of this practical system follows the methodology of NOTECHS, which has been widely proven in the flight deck, with adaption to the cabin environment.

GAT will shortly be offering a training workshop to enable cabin crew line trainers to effectively implement Cabin CRM Skills assessment within their operation. Please contact us for more information.

Overseas Training

During Spring 2011 we were busy overseas delivering training in Riga, Egypt, Qatar, Hong Kong, Netherlands, Sharjah, Dubai & Malaysia.

Commonwealth Kickboxing Sponsorship

In February GAT sponsored the WKF Commonwealth Lightweight Kick Boxing title. Di presented the trophy to Feld Barlow following another superb victory.

Showjumping Sponsorship

In June GAT sponsored the newcomers competition at the Bolesworth Showjumping Classic. Some of Britain's best showjumpers were in action in what is one of the most exciting and entertaining equestrian events this summer.

Northwest Aerospace Alliance

Global Air Training is delighted to be the latest member of the NWAAL which is the industry organisation for aerospace in the North West of England. This organisation is representing and uniting companies and organisations involved in the aerospace supply chain, covering an area producing nearly £7 billion in aerospace annually.

Global Air Training Charity Fundraising

This year our team is once again committed to showing our support for the local community and our chosen charity for 2011 is the Wales Air Ambulance.

You can help us to support this superb organisation by sponsoring Di who ran the Chester half marathon last month. To support this, please make cheques payable to The Wales Air Ambulance and post them to us at: Global Air Training.

For further information about the Wales Air Ambulance: www.walesairambulance.com
